Church Magazine

We are making plans for the return of the Church magazine and we need some information from you! Please let us know if you would like a hard copy of the magazine and also if you receive multiple copies which you may deliver to others. We need this information so that we can get costs from the printer. We are aware that during the pandemic many of us have become more adept at handling communication electronically because we had to! Please contact the church office on 0141 637 2503 or office@netherleechurch.org by Friday 1 October to let us know.

Poppyscotland News

Poppy season is coming round again.

It is hoped that this year the appeal will be nearer normal.

I am hoping to run a coffee afternoon on 13th November.

This will depend on the restrictions in place at the time, however I am an optimist and have booked the Church Hall at Netherlee. Please add this date to your diary.

I am also hoping that we will be able to do door to door collections and have a presence in Sainsbury's. There will also be cans in as many local businesses as possible which need to be delivered and collected. In order to make the appeal the success that has been enjoyed over the last years, volunteers are needed.

If you can help in any way could you please contact Anne Mann.

Thank you in anticipation.

A Message from Marie

Given that our attention is turning to the issues that COP 26 will raise, Marie has given us a YouTube link to view and writes, 'My paths crossed with Susan in days gone by when I was in the Loreto Sisters with her and she would stay with us during her visits from Australia. She has provided folk with lots of Christian resources via her colourful art over the years.

The video highlights some of the thoughts from Pope Francis' amazing 2015 document, "Laudato Sii" (which can be downloaded from the Vatican website), where he encourages us all to take stock about the world we inhabit and give God praise for it.

People can access her public Facebook page for lots more images. Here is the link.

Are you looking for a volunteering opportunity?

Girlguiding Scotland is undertaking its biggest recruitment drive for volunteers to help sustain and grow the Rainbow, Brownie, Guide and Ranger units. You may have seen the recent ad on TV.

Girlguiding encourages girls to discover their voice and their potential through a range of fun activities and adventures. Volunteering can be very rewarding and is a great way to make a difference in the community.

Many of the units in Netherlee and Stamperland and the surrounding areas have long lists of girls waiting to join. It would be great to welcome some new volunteers to help to grow Girlguiding.

Can you give some of your time to help out or can you reach out to someone you think would like to volunteer? We would love to hear from you. Please follow the link below to find out more and to register your interest. <https://bit.ly/3tzFc65>

Thank you.

Celtic Connections – Transatlantic Sessions 2022. Glasgow Royal Concert Hall.

If (and it's probably still an if) the Celtic Connections Festival returns to live concerts in 2022, I would intend organizing our annual trip to the Transatlantic Sessions concert. As the programme is not announced until mid-October, I cannot be precise about dates or ticket prices. The Transatlantic Sessions concert is one of the festival's big highlights and as a consequence of this, tickets sell out very quickly. My calculated guess would be that the concert would take place on Friday 4th February and ticket prices will be £35 - £40. As in the past, I would intend organizing a pre-theatre meal at Amarone restaurant, a short walk from GRCH. (Some people go for concert and meal; some people go for concert only – your choice). These evenings have proved to be very popular with an average of forty odd people going. If you are interested, please contact David Beckett by 14/10/2021.

Glasgow Southeast Foodbank

The Glasgow South East food bank are very grateful for Netherlee and Stamperland's continued support. They are particularly grateful for those who have donated to the 'fresh food fund' as this makes a huge difference to what they can provide for their clients I have been asked if these donations could please continue. However, if you prefer to donate items they are especially short of UHT milk, diluting juice and toothpaste. Thank you for your continued support.

Church Website

Many of our organisations, including our uniformed youth organisations, are planning to re-start meetings and activities in September. The leaders of the organisations are generally making direct contact with those who were members before Covid-19 led to all meetings being suspended. We hope that information relating to proposed meeting arrangements can be shared through the church website.

The Netherlee and Stamperland website is a great way of reaching out to our local community so please use it as a means of communication.

To this end we would ask leaders to contact our webmaster with details of meeting arrangements. An easy way of doing this is to complete the form on the "contact us" page of the church website - <https://www.nandschurch.org/contact-us>

Afternoon Tea in aid of Guide Dogs

This October, Guide Dogs is 90 years old. Since 1931 the Guide Dogs organisation has worked to give people with sight loss the confidence and skills they need to live the life they choose.

To celebrate this milestone we have decided to offer afternoon teas which can be delivered to you or collected after the church service on Sunday 31st October.

For a small donation (suggestion £3) you can enjoy a cup of tea or coffee and some sweet treats knowing you are helping Guide Dogs raise the funds needed to carry on the wonderful work they do.

Please contact Alison McKean by Sunday 17th October to place your order.

Let us know if you would like tea or coffee and if there are any dietary requirements and the number of afternoon teas required. Please also include a delivery address or if you will collect your order after the church service.

Thanks in advance for your support.

Sunday Club

Sunday Club restarted on 5th September, and it has been fantastic catching up with everyone. On our first week back, we enjoyed making rainbow seeds and planting happiness. Red is for Repentance, Orange is for obedience, Green is for Gratitude, Purple is for Prayer, Yellow is for Yes. When we say yes, we agree to something, in this case, to being obedient to God, to living a life of gratitude and repenting when we go wrong, and to praying to God about what's going on in our lives. When we do these things, we plant these rainbow seeds in our lives and joy and happiness grows in us. We have crafted and created and even completed an assault course! Our resources this year will reflect the weekly lectionary and we look forward to exploring and responding to the word of God together. Old and new members in P1 - P7 are most welcome, just come along to the Welcome Hall before the service. Looking forward to seeing you.

A Message from the Fabric Committee

Domestic fire and smoke alarms – urgent action is required BY YOU

Scottish Government legislation requires that every home in Scotland must have interlinked fire alarms installed and operational before 1st February 2022. Interlinked means that, if one alarm is triggered, all alarms will sound, so you will always hear an alarm wherever you are in your home.

Every home must have, as a minimum, the following alarms:

- one smoke alarm in the living room or the room you use most
- one smoke alarm in every hallway or landing
- one heat alarm in the kitchen
- If you have a carbon-fuelled appliance – like a boiler, fire, heater or flue – in any room, you must also have a carbon monoxide detector in that room.

All smoke and heat alarms should be mounted on the ceiling.

Homeowners are responsible for the purchase and installation of the alarm system. The Scottish Government advises that the cost for an interlinked system with sealed, long-life battery alarms in a two storey house could be around £220. This cost appears to me to be rather optimistic. Installation entails climbing a stepladder, drilling holes in the ceiling, screwing the alarm base onto the ceiling, fitting the alarm unit into its base and, finally, ensuring it is working properly and “properly interlinked” to all of the other alarms. A lot of homeowners will be well able to install the alarm system themselves. However, many people cannot undertake such DIY tasks and will have to employ a tradesperson.

Members of the Fabric Committee have discussed how we might assist our church members and, indeed, all householders living in our parish to choose and install appropriate alarm systems. We are proposing to set up a “help centre” through which we can answer questions and offer advice. This could include both submitting and answering written questions and also face-to-face sessions. We are also interested in hearing your ideas regarding the information and assistance you would like.

Norrie Bolton, on behalf of the Fabric Committee

Glasgow 278 (Netherlee) BB back to action

Netherlee BB is back in action after the summer break. Anchor Boys (P1-P3) meet at Mondays from 6.15pm, Junior Section (P4-P6) on Tuesdays from 7pm and Company/Seniors (P7-S6) on Fridays from 7.30pm.

Although the Company is in a strong membership position, there remain one or two spaces available in each section. P1s wishing to start their BB journey in Anchor Boys are especially welcomed. Please contact the church office for more information.
